

The Benefits of School Lunch

As your child's **School Lunch Provider**, **HCL** takes great pride in delivering tasty and nutritional meals at every lunchtime service. There are so many benefits to having a cooked school lunch, such as:

- Nutritious meals are full of energy fuelling ingredients.
- Convenient for Parents and Carers.
- At least one portion of fruit and vegetables in every serving.
- Confidence that all meals meet nutritional standards.

As experts in nutrition and catering, providing a service that parents can trust, with menus that prioritise your children's health and well-being, is at the forefront of our operation. We're all leading busy lives, so let our menu provide your child with a hot, healthy and balanced meal.

Sustainability

We take our responsibility to implement sustainable practices that positively impact our customers, communities, and the health of our planet very seriously. This ethos is embedded in our values and policies and is reflected in our entire supply chain. HCL is taking multiple steps to reduce our environmental impact by:

- Proactively educating and raising awareness of how all ages can support sustainability.
- Encouraging all staff across the business to be environmentally responsible through regular training. Ensuring we all adhere to environmental laws, policies and procedures.
- Working with our suppliers to replace any negative environmental impacts with positive ones. Meeting these requirements is mandatory for all our suppliers.

Social Value

Social value is important to us, demonstrated by our **Community Support Team who deliver Cookery** clubs, Gardening clubs, Healthy Eating workshops and **Assemblies** in our Schools. Our sessions are highly inclusive - we have parents, grandparents and siblings signing up to enjoy them!

The Community Support Team also deliver the Fit, Fed and Read programme providing cookery workshops for children to educate and inspire their young minds about healthy food and healthy eating. They are able to enjoy their healthy, nutritious meals they've created everyday during the programme.
