Belmont Schools Vision

Development of the whole school learning community that promotes personalised and independent learning throughout the learning journey for pupils and adults. Pupil voice informs all school development priorities – every child, every day make us Stronger Together.

Belmont's Curriculum Intent!

Our curriculum is based around the UNICEF Rights for Children and the 17 sustainable Global Goals. At Belmont School, we are focusing on what those goals mean to us and how 'Pupil Leaders' can share understanding across the school community.

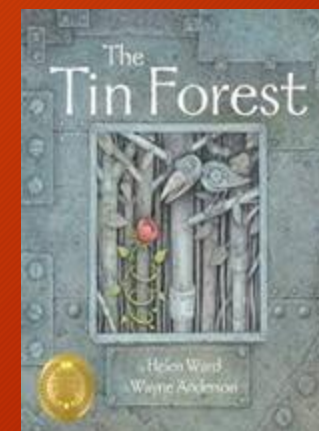

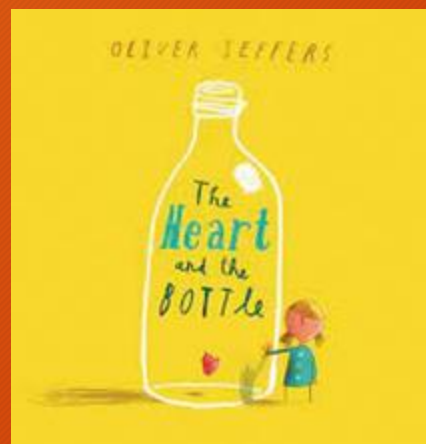

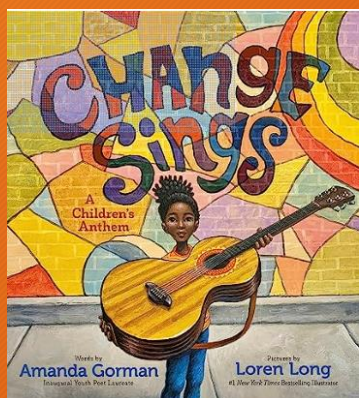

We put the child at the centre of our school, where positive relationships, based on mutual trust and respect are at the heart of everything we do. Our ambitious curriculum has been designed to take account of the legal requirements of the Early Years Foundation Stage Curriculum and the Primary National Curriculum. It exposes our children to enriching experiences, immersing them in progressive knowledge and skills; equipping them with personal characteristics required to succeed in life. The creative and performing arts are pivotal to our curriculum delivery and ensure that our children are immersed in vibrant experiences, allowing each of them to express themselves as an individual.

The key principles behind the design of our curriculum are for our children to:

- Be confident, independent and resilient; displaying a thirst for and becoming leaders of learning
- Be kind; showing empathy and compassion whilst valuing inclusivity and diversity
- Achieve academically across the entire curriculum, meeting at least the national expectation by the end of their primary education
- Be culturally knowledgeable about our country and the world we live in
- Aspire for the future and know that these can be reached through hard work and determination
- Be well-prepared for the challenges of their next stage of learning.
- Ultimately, we want all of our children, to be the best they can be, making a positive contribution to the world they live in.

Home Learning

- A set of weekly activities to be completed over the half term and evidence to be uploaded onto OneNote by the last day of each half term or shared in class depending on the project.
- Reading books assigned by class teacher on Reading Planet online and a school library book.
- MyMaths tasks and TTRS will be set weekly to develop Maths skills at home linked to learning in class.

What is expected of my child?

- To follow the Belmont values: try their best, show respect and make the right choice.
- To be independent in school routines and in their learning.
- To come prepared to school and every lesson.
- To hand their home learning in on time.
- To enjoy school! 😊

PE Days

Year 3 and 4 will have PE on
Tuesdays and Fridays.

We evaluate pupils learning by...

- Ongoing assessment by the class teacher throughout each lesson, through questioning, observation and dialogue to inform next steps in teaching.
- Children knowing what they are being asked to learn and more importantly, why.
- Children are partners in the learning process. They contribute to what they would like to learn.
- Success Criteria (How do we know we are successful) are discussed and agreed with or formulated by the children during lessons, work is then assessed against them.
- Three-way feedback, pupil, peer, teacher with clearly identified next steps – this can be written or verbal feedback.

Statutory Year 4 Multiplications Check

In addition to the ongoing assessment, pupils in Year 4 are also tested on their recall of multiplications up to the 12 times tables.

This takes place in June.

How to help your child

- **Attendance:** Every day and on time. No holidays in term times.
- **Sickness** – call/email school on the first day.
- **Support Learning:** **times tables**, spellings, reading, home learning, independence, child equipped for school each day.
- **Communication:** Arrange a meeting with the class teacher afterschool via school office.
- **Problems:** dealt with by Class Teacher, then Year Group Leader, then Phase Leader.
- **Enrichment:** make their life out of school a learning experience (e.g., go on free trips around London, ask questions during trips to the supermarket, etc.).
- **Parents' Consultation Evenings:** Autumn Term – Mon 16th and Wed 18th October 2023

E – Safety/Online Safety – Updated AUPs

- We take children's e-safety very seriously at school and we teach them about the risks, particularly on social media.
- We do have to deal with incidents of cyber bullying and inappropriate internet use in school, but these almost always start outside school.
- **Do you know what your child is doing on their laptop or phone?**
- Risks are even greater with different types of extremism on the rise (ISIS; Far right & neo-Nazi groups).
- **Children under 13 should not** have Facebook accounts and should not use their real names online.
- **Risks of social media** – INSTAGRAM; TUMBLR; YouTube videos; WhatsApp; Viber; Skype & Hangouts.
- Please **supervise your children** and tell us if you are worried about them

Morning and Afterschool Routines

Please queue and wait for the member of staff who is high viz jacket to let you in and follow the one-way system.
