Join Our Petition for Safer Roads During Road Safety Week

Dear Parents and Guardians,

As part of Road Safety Week, a crucial time to reflect on and improve the safety of our roads, I am reaching out for your support. We have an opportunity to make a significant difference for the safety of our children at Belmont School.

Currently, our school is in an area with busy traffic, and, notably, there is no pedestrian crossing in the vicinity. To address this, we are petitioning the Harrow Council for the installation of a pedestrian crossing outside our school. This is a proactive step towards ensuring a safer environment for our children, without causing undue concern.

Why This Matters?

The presence of a pedestrian crossing will provide a safer, clearly marked space for our children to cross the street. This initiative is not just about convenience; it's about taking a stand for the well-being of our school community.

Your Role is Key

During Road Safety Week, let's come together as a community to advocate for this important change. We need your signature, along with your address details, to show the Council that this is a community-driven initiative. This is a positive action that we can all take together for the safety of our children.

Here's How You Can Help:

- Kindly fill in your details and sign the petition via the link or qr code- <https://forms.office.com/e/PP5kvpgNjT>
- Encourage our community, friends and family to also sign the petition

Let's Make a Difference Together Your support is crucial. Every signature brings us closer to creating a safer route for our children to school. We're not just signing a petition; we're building a safer future for our community.

Thank you for joining us in this important initiative during Road Safety Week. Together, we can make a lasting impact on our children's safety.

Warm regards,

Mrs Mckenzie
Deputy Headteacher
