UNCRC Article 28 - Children's right to learn and go to school.
 UNCRC Article 29 – Children have the right to become the best that they can be.
 UNCRC Article 19 - Every child has the right to protection

Belmont Parent Charter Articles 14 and 30 - I will help my child to develop respect and understanding of their own and others' beliefs, religions and languages.
 Belmont Parent Charter Articles 28 and 29 - I will ensure my child comes to school on time every day and support them with their home learning so that they can access their education to the full.

Global Goal 4 – Quality Education - Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

Maths Week and TTRS/Numbots Dress Up Day

Dear Parents and Guardians,

We are thrilled to announce Belmont School's Maths Week from **27th November -1st December 2023**. This week will be dedicated to exploring the magic of maths through various engaging activities.

Maths Week Focus:

Our theme, "Three is the Magic Number," will take students on a numerical adventure, highlighting the importance of the number three in everyday life and the wider world. Expect your children to be counting, problem-solving, and creatively engaging with maths!

Why Maths Fluency?

Maths fluency is crucial for your child's educational journey. It supports their ability to solve problems quickly and confidently, laying a foundation for more complex concepts. This week aims to boost their number sense in a lively and practical manner.

Dress Up Day:

On the final day- Friday 1st December 2023 students and staff are invited to come to school dressed as their favourite TT Rockstars character. We invite all students to come dressed as their favourite number on the final day 1st December 2023. Let their imagination run wild!

Your Role: You play a vital part in this! Encourage your child/ren's curiosity about numbers at home and join in the fun by helping them prepare for Dress Up Day. Together, let's make maths an exciting part of their world.

We can't wait to see the creative costumes and celebrate our students' maths achievements.

Warm regards,

Mrs Mckenzie
 Deputy Headteacher
